## Changes to Permit Requirements for Selling at Temporary Locations

The Board of Equalization (BOE) is now requiring business owners (taxpayers) who hold a seller's permit for a permanent place of business **and** who also make sales at temporary locations, such as swap meets, flea markets, trade or specialty shows, fairs, festivals, and similar limited-term events, to register and hold a sub-permit for each selling location.

Registration of these selling locations will ensure the local cities and counties receive the appropriate local and district taxes. Taxpayers will report the sales made at these locations when they file their sales and use tax returns.

### What do I need to do if I make or will make sales at temporary locations?

You need to register for a permit for the temporary location, even if you already hold a seller's permit for a permanent place of business. To register and obtain a sub-permit, you can call our Taxpayer Information Section at 800-400-7115 or your local BOE office and state that you would like to register and obtain a sub-permit for the temporary selling location(s). For a list of BOE offices, visit our website at <http://www.boe.ca.gov/info/phone.htm>. This summer, the BOE will be offering an Internet-based registration called "eReg" that will allow businesses to register for permits and/or licenses online for most of the tax and fee programs administered by BOE. This service will also allow taxpayers who have existing seller's permits to register any future temporary selling locations online.

### What do Operators of Swap Meets, Flea Markets, or Special Events need to do?

Swap meet, flea market, or special event operators are required by state law to document, in writing, the seller's permit status of all people who sell at your event. You may not rent space to sellers unless they have a seller's permit or sub-permit showing the address of the temporary selling location. For more information you can view or download [Publication 111, Operators of Swap Meets, Flea Markets, or Special Events](http://www.boe.ca.gov/pdf/pub111.pdf) at <http://www.boe.ca.gov/pdf/pub111.pdf>.

### Do I still complete the BOE-530-B, Combined 1% State and Local Tax Allocation For Temporary Sales Locations and Certain Auctioneers?

With this change, the BOE will no longer require the filing of [BOE-530-B, Combined 1% State and Local Tax Allocation For Temporary Sales Locations and Certain Auctioneers](#). Taxpayers who currently receive this form will be notified that they will no longer receive paper returns and will now be eligible to efile their tax returns online. Efilings is the fast, easy and convenient method of filing tax returns or reports and paying amounts owed using the Internet.

### What if I no longer make sales at these temporary locations?

You must notify the BOE when any of your business locations (including these selling locations registered under your account) become inactive and no longer make sales. If your seller's permit becomes revoked, a fee of \$100 dollars per active business location plus any outstanding balance of tax, penalty, and interest due, will be required to be paid to reinstate the revoked account.

### For more information

For more information regarding this notice, please contact your local BOE office, or call our Taxpayer Information Section at 800-400-7115 (TTY:711). Staff is available to assist you from 8:00 a.m. to 5:00 p.m. (Pacific time), Monday through Friday, except state holidays.

**SWAP MEETS, FLEA MARKETS, OR  
SPECIAL EVENTS CERTIFICATION**

People who sell merchandise in California are generally required to hold a seller's permit.

You **may not** sell at this event unless you have a seller's permit or are not required to hold a permit. You are required to have a permit if you are selling, even temporarily, new or handcrafted items or used items you purchased for the purpose of reselling to others. You are not required to hold a permit if you are only making "occasional" sales, selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer.

You may electronically register for seller's permit at no cost to you by visiting our website at [www.boe.ca.gov](http://www.boe.ca.gov). To find a Board of Equalization (BOE) office near you, call our Taxpayer Information Section at 800-400-7115 (TTY:711) or visit our website. If you obtain a temporary seller's permit, the business address on your temporary permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

**Occasional and Nontaxable Sales** - Occasional sellers are usually people who are not required to hold a seller's permit because they will not be making a series of qualifying sales. A person who has cleared their garage of used items *accumulated for their own use* and who sells *only* those items would usually qualify as an occasional seller, provided they make sales no more than twice in a 12-month period. Some sellers who make only nontaxable sales are also not required to hold seller's permits. Examples include sellers of fresh produce or other cold food products sold "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged.

**Section 6015 Retailers** - Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a BOE approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (for example, Avon, Tupperware).

**Verification of a seller's status is required by law. Please complete all four sections of this form. Please print.**
